Ignite Your Child's Summer

Dear ESF Camp Families,

This summer, camp will be more important than ever. As we turn the page on 2020, we are most excited about the work that we have done this past year to prepare for a summer like no other, and we are ready! This camp season will be filled with special experiences that will enable our campers to rediscover the joys of summer, and reestablish what it means to be a kid again – having fun, playing together, and creating lifelong memories with their friends.

As we celebrate ESF's 40th camp season this summer, our program offerings will be focused on creating a safe, exciting, and fun environment. Through best-in-class curriculum, boys and girls, ages 3-15, will ignite their interests, follow their dreams, and prepare for bright futures—whether it's sports, science, technology, the arts, or all of the above. Our experienced, all-adult staff knows that the most important role we play in our campers' lives is to provide a safe place to build character, inspire gratitude and spark friendships.

Our exciting 2021 program line-up includes 60+ award-winning activities, uniquely designed to encourage exploration and personal growth. We will provide the tools to promote creativity, develop leadership skills, build confidence and improve athletic ability. An ESF Summer will have a lasting impact on each and every camper's growth and development. We encourage you to enroll now since space is limited. If you have any questions, please call us anytime to learn more about how we can customize your child's ESF experience.

We will make up for lost time this summer by providing your campers with the camp experience they deserve, and we promise it will be worth the wait! We can't wait to see you there!

Sincerely,

A handwritten signature in black ink, appearing to be "MJR".

Executive Director & Co-Founder

(Proud Dad of Campers Finn, Shane, Brody and Naomi)

The Ultimate Summer Playground

The perfect setting to learn and grow.

ESF's new camp home is located on the beautiful 28-acre campus of The Academy of The Holy Cross (just steps away from Rockville Pike and Bethesda). In addition to launching our inaugural summer on this pristine campus, we are also proud to be celebrating 13-years in the Bethesda community! This summer, we are excited to transform the campus into a welcoming camp setting offering extraordinary, authentic experiences that evoke lasting, treasured memories.

As the exclusive on-site camp, ESF has sole use of the extensive, state-of-the-art indoor and outdoor facilities, providing a safe and secure environment to spread out around campus. Our exceptional standards include providing a safe, fun and comfortable environment, and we have prioritized the health and well-being of our campers and staff by implementing increased safety measures which can be found in our Advanced Safety Plan™. These protocols and best practices will ensure that all camp programs operate in a safe and effective manner. All indoor and outdoor areas utilized throughout campus will allow space for proper social distancing and limited gatherings of campers and staff, rain or shine.

The indoor and outdoor amenities include a new on-site, outdoor swimming pool, air-conditioned, child-friendly classrooms, arts & crafts studios, science labs, technology labs, music rooms, multi-purpose rooms, a dance studio, multiple turf & grass athletic fields, gymnasium, and cafeteria.

And so much more for campers to explore, rain or shine!

Advanced Safety Plan

Since 1982, safety is our #1 priority.

A tremendous collaboration of research and expert medical input went into the creation of our Advanced Safety Plan™, which exceeds recommendations by the CDC, ACA, NIH, and AAP, as well as local and state restrictions which is why ESF is considered one of the safest camps in the United States. We will adjust our plan to meet recommended guidelines and requirements once they are announced and as we get closer to the 2021 summer camp season. A detailed safety guide will also be provided prior to camp. While some of our camp programs will look different this summer, be assured that the in-person camp experiences will still be chock-full of enrichment opportunities and action-packed, fun activities.

OUR 7 POINT SYSTEM Our 7 Point System is used for protecting our campers, their families, and our staff members on-site this summer.

LIMITED ENROLLMENT/SMALLER GROUP SIZES

- Smaller group sizes with individualized attention
- Low staff to camper ratios
- Groups are considered “bubbles” and must stay together with no mixing of campers or staff while at camp

CAMPER & STAFF SCREENING

- Daily at-home health screening questionnaire completed prior to campers and staff members arriving for the day

- Health monitoring of all campers and staff throughout the day
- Face coverings and Personal Protective Equipment (PPE) will be worn by campers and staff according to CDC guidelines
- Awareness of exposure and ability to provide contact tracing information should it be needed

CLEANING, DISINFECTION & HANDWASHING

- Increased cleaning and disinfection at each camp location
- Trained sanitation team
- Cleaning timeliness; staff to wipe down activity areas and equipment between each use
- Equipment and supply sharing limited; disinfected daily

PREMIER OUTDOOR FACILITIES

- Indoor and outdoor spaces throughout campus will be modified to ensure proper social distancing and limited gatherings of campers and staff
- Covered and/or shaded outdoor activity areas available for small group instruction and to accommodate “bubbles”
- Safe, socially distanced indoor contingency plan for rainy or heat advisory days when all campers and staff will be indoors
- Outdoor lunch seating available

REASONABLE CONTACT REDUCTION

- Safe social distancing practices will be maintained between “bubbles”
- No large camp gatherings
- Distanced lunch areas and assigned lunch tables per “bubble”; meals served individually
- Dedicated meeting locations per “bubble”

SYMPTOM MANAGEMENT ACTION PLAN

- Trained Medical Staff will assess anyone with possible COVID-related symptoms
- Quarantine area will be established prior to the first day of camp
- Strict symptom management including quarantine, communication, tracing, and post-illness protocol will be enforced
- Nurse available on-site at all times when camp is in operation and Camp Doctor on-call during the camp day

 FOR VALUABLE LIFE LESSONS!**

ESF is a HAPPY PLACE where, since 1982, every child is free to explore their curiosity and power their potential. We guarantee that a summer at ESF will have a lasting impact on a camper's happiness, growth and development.

We believe building character muscles is similar to building physical muscles. We thread opportunities throughout the camp day to strengthen these muscles, thereby making character development a key differentiator of an ESF Experience. As a result, ESF campers become stronger, healthier and more resilient. We build upon family values and continue to shape the "Character Muscles" of our campers through our 8 ESF Virtues:

- GRATITUDE
- RESPECT
- TRUSTWORTHINESS
- EFFORT
- KINDNESS
- RESILIENCY
- COMMUNITY
- POSITIVITY
