Friends Happen Here!

Dear ESF Camp Families,

As we turn the page on 2021, we want to express our sincerest gratitude to every family who has shared their camper with us in summer's past and to those who will join us in Summer 2022. Our campers, our families, and our team members continue to be our inspiration and motivation. This camp season promises many exciting opportunities for children to learn new skills, form and nurture friendships, and create lifelong memories.

Our goal for our 41st camp season, through a best-in-class curriculum, is for boys and girls, ages 3-14, to grow up ESF - whether it's sports, science, technology, the arts, or all of the above. Our experienced, adult staff knows that the most important role we play in our campers' lives is to provide a safe place where they can develop the tools to become independent, confident, lifelong learners.

At ESF, our campers don't see the world through the printed headlines, but instead through the laughter and joy that surrounds them. As a result, they choose to write their own headlines and be the agents of change that our world needs them to be, in ways big and small. Our 2022 program line-up includes 60+ award-winning activities, uniquely designed to encourage exploration and personal growth. We encourage you to read through our brochure and visit our website to discover the fun and learning that campers will experience and the lasting impact an ESF Summer will have on their growth and development.

Friends Happen at ESF! We guarantee that your camper will enjoy a summer with no limits, where they can be themselves and try new things while their friends cheer them on. The memories they will make and the feeling of having a summer home to call their own are all part of the ESF experience. We encourage you to enroll now since space is limited. If you have any questions, please call us anytime to learn more about how we can customize your child's ESF experience.

We can't wait to see you this summer!

Sincerely,

MICHAEL J. ROUSE

Executive Director & Co-Founder

(Proud Dad of Campers Finn, Shane, Brody and Naomi)

Some of the photos in this brochure were taken prior to COVID-19. For Summer 2022, face coverings and personal protective equipment (PPE) will be worn by campers and staff according to the most up-to-date CDC guidelines.

1994-2022
Celebrating 29 Summers

The Ultimate Summer Playground

The perfect setting to learn and grow.

Since 1994, our camp home has been located on the 68-acre campus of Gilman School. Each summer, we transform its pristine campus into a welcoming camp setting offering extraordinary, authentic experiences that evoke lasting, treasured memories. ESF Camps at Gilman School is home to a community of children and staff, and provides the perfect setting for campers of all ages to learn and grow.

As the official on-site camp, ESF utilizes the extensive, state-of-the-art indoor and outdoor facilities, providing a safe and secure environment to spread out around campus. Our exceptional standards include providing a safe, fun and comfortable environment, and we have prioritized the health and well-being of our campers and staff by implementing increased safety measures which can be found in our Advanced Safety Plan™. These protocols and best practices will ensure that all camp programs operate in a safe and effective manner. All indoor and outdoor areas utilized throughout campus will allow space for proper social distancing and limited gatherings of campers and staff, rain or shine.

The indoor and outdoor amenities include an indoor 25-meter swimming pool, alpine tower high ropes course, athletic complex with two gymnasiums, endless athletic fields, art studios, STEM labs, and air-conditioned theater, cafeteria and classrooms.

And so much more for campers to explore, rain or shine!

Advanced Safety Plan

Since 1982, safety is our #1 priority.

A tremendous collaboration of research and expert medical input went into the creation of our Advanced Safety Plan®. This Plan exceeds recommendations by the CDC, ACA, NIH, and AAP, as well as local and state agencies, which is why for more than 40 years, ESF has been considered one of the safest camps in the U.S. We successfully returned to in-person operations in Summer 2021, serving more than 5,000 families. We will continue to adjust our plan if needed to meet recommended guidelines and requirements as we get closer to the 2022 summer camp season. We are confident that our in-person camp experiences will continue to be chock-full of enrichment opportunities that are action-packed and FUN!

Our 6 Point System will be used to protect our campers, their families, and our staff members on-site this summer.

**THE PREMIER CAMP EXPERIENCE
 FOR VALUABLE LIFE LESSONS!**

ESF is a HAPPY PLACE where, since 1982, every child is free to explore their curiosity and power their potential. We guarantee that a summer at ESF will have a lasting impact on a camper's happiness, growth and development.

We believe building character muscles is similar to building physical muscles. We thread opportunities throughout the camp day to strengthen these muscles, thereby making character development a key differentiator of an ESF Experience. As a result, ESF campers become stronger, healthier and more resilient. We build upon family values and continue to shape the "Character Muscles" of our campers through our 8 ESF Virtues:

- GRATITUDE
- RESPECT
- TRUSTWORTHINESS
- EFFORT
- KINDNESS
- RESILIENCY
- COMMUNITY
- POSITIVITY
