Bring a Spark to Your Child's Summer

Dear ESF Camp Families,

Cultivate your child's interests with a summer experience that speaks to them. Nationally recognized as The Aspen Institute's 2019 Project Play Champion, ESF Summer Camps is a place where every child is free to explore their curiosity and power their potential. Through best-in-class curriculum, boys and girls, ages 3-18, ignite their interests and prepare for bright futures in any field—whether it's sports, science, technology, the arts or all of the above. Our experienced adult staff knows that the most important role we play in our campers' lives is to provide a safe place to build character, inspire gratitude and spark friendships.

Our exciting 2020 program line-up includes 60+ award-winning activities, uniquely designed to encourage exploration and personal growth. We provide the tools to promote creativity, develop leadership skills, build confidence and improve athletic ability. An ESF Summer will have a lasting impact on each and every camper's growth and development!

We encourage you to enroll now since space is limited. If you have any questions, please call us anytime to learn more about how we can customize your child's ESF experience.

We'll see you soon for... *A Summer Like No Other!*

Sincerely,

MICHAEL J. ROUSE

Executive Director & Co-Founder

(Proud Dad of Campers Finn, Shane and Brody)

The Gold Standard

ESF is a HAPPY PLACE.

With a tradition of excellence since 1982 and a team of year-round professionals committed to your child's success, it's easy to see "The ESF Difference."

We guarantee that a summer at ESF will have a lasting impact on a camper's happiness, growth and development through our experienced adult staff, relevant programs, unparalleled curriculum, world-class campuses, character and life skills, and unwavering commitment to safety.

No Other Camp Comes Close.

The Ultimate Summer Playground

The perfect setting to learn and grow.

We transform the pristine campus of The Episcopal Academy each summer into a wonderfully welcoming camp setting offering exceptional and authentic camp experiences that evoke lasting, treasured memories. ESF Camps at The Episcopal Academy is home to a community of children and staff that features extensive indoor and outdoor facilities and provides the perfect setting for campers of all ages to learn and grow.

Our exceptional standards include providing a safe, fun, and comfortable environment. Campus facilities are complete with a state-of-the-art athletic complex, 35-meter indoor swimming pool, endless athletic fields, tennis courts, classrooms, art studios, cafeteria, and air-conditioned theater.

And so much more for campers to explore, rain or shine!

Happy
CAMPER

Grow Up with ESF

Great summer experiences come in all shapes and sizes.

No two campers are alike. From one year to the next their interests and curiosities change, and camp experiences should too. ESF's summer programs play at many levels for campers, ages 3-18, with each activity designed to appeal to its specific age group. So every camp, at every age, promises something new. Because one size does not fit all!

Check out the 2020 Camp Line-Up by Grade Level on pages 10 & 11.

More than 60+ activities for every age and interest!

DAY CAMP Rising Preschool — 2ND Grades

A camper's summer experiences should be as diverse as their growing interests. With a variety of hands-on activities for curious young minds, it's a time for exploring, creating, discovering, and eye-opening, with endless opportunities to uncover talents and forge new friendships. Led by our dynamic and experienced staff, Day Camp provides a wide variety of exciting hands-on activities and pure fun for a well-rounded summer experience. Campers are grouped in Bunks, according to their rising grade level. As they grow each year, they progress through one of our three Day Camp Divisions; each with a wide array of exciting, age-appropriate programs and activities.

This is way more than just a day at camp!

CAMP DIVISIONS

MINI CAMP: A DIVISION OF DAY CAMP
Rising Preschool

Preschoolers explore their world through hands-on learning activities. They are curious, active, eager and excited to discover something new each and every day. The Mini Camp Division provides our youngest, bubbliest campers with opportunities for daily swim instruction, running, jumping, climbing, singing, dancing, and so much more! **Campers must be 3 years-old by June 1, 2020 and be potty trained in order to attend camp. AM & Full day options available.**

HIGHLIGHTS

INSTRUCTIONAL SWIMMING

With daily instructional swimming, campers receive an initial skill assessment and then progress at their own pace. Progress reports are sent home weekly. **For more information on ESF's Aquatics program, go to: esfcamps.com/episcopal/esfs-aquatics-program/**

LOWER CAMP DIVISION

Rising PreK & K

Rising PreK and Kindergarten campers love to be busy! The Lower Camp Division provides them with opportunities for developing fundamental skills, making new friends and experiencing the world through hands-on activities. Uniquely designed programming helps our young campers thrive while discovering, exploring, playing and growing.

Campers are grouped in Bunks by rising grade level.

UPPER CAMP DIVISION

Rising 1ST & 2ND Grades

Rising First and Second grade campers are industrious, enthusiastic, inquisitive and creative. Making new friends, being on a team and engaging in dynamic activities is now more important than ever. In addition to all of the fun-filled Day Camp programs, the Upper Camp Division adds many new traditions and specialized, age-appropriate activities to campers' schedules.

Campers are grouped in Bunks by rising grade level.

DAY CAMP SHOW

Friday, July 31ST

Possibilities: An Olympic Journey, from Plank Road Publishing; by Teresa Jennings. Friends and family will be invited to attend.

FAVORITE TRADITION: SPIRIT STICK

Campers start the day off with a cheer and a challenge. During morning assembly, the Bunk that shows the most teamwork, participation and spirit wins the Spirit Stick for the day.

Where Tennis is Fun and Improvement is Guaranteed!

TENNIS CAMP
Rising 1st-12th Grades

In 1982, ESF launched its very first camp, a tennis camp for local campers. Today, the ESF tennis program is the premier destination for education and improvement in the sport. From beginners to the tournament-bound, under the guidance of experts, ESF Tennis Camp instills confidence for winning on and off the court.

3 LEVELS OF PLAY

Beginner, intermediate and advanced players develop their strokes, while improving their game in our uniquely designed camp.

DAILY FEATURES

- Conditioning & Biomechanics
- Individual and Group Instruction
- Match Play
- Recreational Swimming for full day campers (Optional)
- Skills Development
- Stroke Refinement

WEEKLY HIGHLIGHTS

- Grand Slam Tournaments
- Performance Evaluations
- Round Robins
- Video Analysis

SWIMMING Rising 1ST-12TH Grades

Recreational swimming is available each afternoon for full day Tennis Campers. Additionally, optional swimming instruction is also offered 2 days per week, before camp at no extra charge. **For more information on ESF's Aquatics Program, go to: esfcamps.com/episcopal/esf-aquatics-program/**

AQUATICS PROGRAM

Rising PreSchool-12th Grades

Make a Splash At the Pool!

Our Aquatics Program is the finest around. We develop swimmers utilizing the latest teaching techniques and coaching methods. Beginning with water safety skills and basic fundamentals, we then move on to progressive stroke development and refinement of techniques. Our well-established program is designed to be compatible with the unique and ever-changing abilities and skill levels of each camper.

INSTRUCTION BY CAMP

Swimming is one of the most exciting parts of the camp day. Under the guidance and watchful eye of our American Red Cross certified lifeguards and instructors, campers develop life skills too valuable to measure while learning how to swim confidently in a safe and fun environment. We maintain a low staff to camper ratio.

For swimming details by camp, please go to the individual camp page in this brochure or visit us online at: esfcamps.com/episcopal/esfs-aquatics-program/

AFTER CAMP PRIVATE SWIM INSTRUCTION

ESF also offers private swim instruction to campers who are interested in devoting more time to enhancing their skills. Available under the guidance and direction of our American Red Cross certified instructors and lifeguards. Lessons are designed to be compatible with individual camper needs and skill levels. To enroll, please indicate your preferred days/times using our online Supplemental Form or call the camp office when camp is open. Once camp is in session, we set up a schedule based on your preferred dates and instructor availability. Instructors may change daily.

HIGHLIGHTS

- Certified Aquatics Staff
- Seasoned Aquatics Director

2020 Camp Dates & Descriptions

2020 SENIOR CAMP TRUE LIFE ADVENTURE SCHEDULE

Aerodynamics: Super Flying | Machines | June 8 - 12

Take flight and join us for an exciting week that propels campers from ground zero to great heights! This aeronautical STEM TLA provides campers with hands-on experiences and insights into the physics of flight, force and motion. The fun is at an all-time high as they design, prototype, build and test their own flying structures and gliders!

Emoji Art: Digital Graphics | June 15 - 19

Everyone loves emoji's - those cute and colorful symbols that communicate more than emotions! In this creative TLA, you will use digital graphics to layer Emojis of different sizes, colors and shapes to create self-portraits, landscapes, and creative works of art. At the end of the week, print out and mat your favorite creation made from these iconic symbols to display at ESF's Emoji Art Exhibition.

Filmmaking with iMovie | June 22 - 26

Lights, Camera, Action! Go behind-the-scenes in this visual-arts inspired TLA, to learn the foundations of digital filmmaking. Whether in the role of director, writer, actor, editor, set or costume designer, you will work in teams to produce a short film using Apple iOS mobile devices and iMovie. At the end of the week, showcase your feature film at the culminating ESF Film Festival!

Sport Stacking with Speed Stacks | June 29 - July 2*

Welcome to ESF's Ultimate Sport Stacking TLA! Also known as cup stacking or speed stacking, this individual and team fitness sport combines hand-eye coordination, balance, concentration, quick reflexes, speed and power! Throughout the week, campers increase agility and skills through participation in cup stacking warm-ups, drills and exercises, as well as team and individual timed challenges! Campers will also enjoy outdoor, team building initiatives using large-scale jumbo cups including relays, doubles stacking and more! Friday culminates with The Great ESF Sport Stacking Tournament. How fast can you stack the cups?

**Please note: Camp is closed on Friday, July 3rd.*

Gourmet Camper: A Culinary Tri-Fecta | July 6 - 10

Put on your apron, roll up your sleeves, and join us for a Culinary tri-fecta of breakfast, lunch, and dinner specialties - with a splash of appetizers and desserts on the side! With the guidance of our executive chef, create and enjoy palate-pleasing dishes. This hands-on culinary experience will teach you about food preparation and kitchen safety, provide helpful hints for measuring, chopping, mixing, and garnishing, and help you discover the joy of cooking!

Song Writing & Music Production | July 13 - 17

Explore music fundamentals and enjoy daily "jam sessions" with a professional producer. Compose and record your own hit songs with high-tech, multi-media technology using the Garage Band and MadPad apps on an iPad. For the grand finale, perform at the annual "ESF Music Awards". Friends and family are invited.

Camp Carnival, Circus Skills and Magic | July 20 - 24

One of our most-anticipated traditions in Senior Camp, you will have the opportunity to design and build a Carnival from the ground up. Learn face painting techniques and how to create balloon animals. Become proficient in juggling, clowning and sleight of hand magic tricks. Finalize your Carnival booths and practice your performance skills in preparation for the exciting Main Event hosted for Day Campers on the last day!

Rockwall: Take the Challenge | July 27 - 31

Conquer a towering rockwall with challenges designed for each skill level, under the watchful eye of an experienced instructor. This journey will lead you down the road of self-discovery, as you participate in teambuilding initiatives, collaborative problem-solving activities and exercises designed to develop and enhance the leader in you!

Found Sound Bucket Band | August 3 - 7

Traditional, concert, and street styles of percussion meet for a fun-filled musical expression that will result in new compositions, creative insights into music-making and maybe even new dance forms. Play and write folk inspired drum 'beats' and learn important musical lessons such as internalization of tempos and improvisation while playing music together. Buckets and found instruments will add to a variety of timbres and ensembles, and aid in producing inventive rhythms. Friends and family are invited to attend "A Symphony of Found Sound" on the last day!

Geocaching: The Ultimate Treasure Hunt | August 10 - 14

Welcome to a new kind of adventure! Join us for the ultimate treasure hunt and discover the exciting sport of Geocaching! After exploring the fundamentals of geocaching and mastering the use of handheld GPS devices, campers prepare for and embark on outdoor scavenger hunts throughout campus to find hidden "caches" or treasures.

2020 CGI SPECIALTY MAJOR PROGRAMS SCHEDULE

Blast Off | Rising Grades K-1 | July 13-17

Offered in exclusive partnership

THE FRANKLIN INSTITUTE

3...2...1...BLAST OFF! Strap in for a dynamic week while exploring the far reaches of outer space as an astronaut. Learn about what it is like to live and work in outer space and come away with ideas that will reach to the moon and back again. Exciting hands-on activities include exploring the sun's energy, making constellations, investigating moon phases, creating craters, participating in a spacewalk relay and more!

Chess Wizards | Rising Grades 3-5 | July 6-10

Say "yes" to chess and join us for an immersive, one-week program where campers collaborate, gain confidence, improve chess skills, and meet new friends - all while working out their most powerful muscle...their brains! This interactive program, run in partnership with Chess Wizards, a premier chess education company, engages campers both physically and mentally while teaching them to think logically, solve problems, win graciously, and learn from their mistakes. Appropriate for beginner to intermediate chess players, our chess pros make learning chess FUN! Our program includes instruction in tactics and strategy, as well as individual game play. Campers explore technical chess concepts through participation in fun group challenges, epic team chess games, fun and interactive tournaments and more. All campers receive a trophy, puzzle folder and Wizard's t-shirt. Come join in the fun!

Engineering Rockets: The Physics of Flight | Rising Grades 3-5 | July 27-31

Explore the laws of motion and the physics of rocket flight including propulsion, lift, drag, velocity, and aerodynamics. Construct your very own air, water, and solid fuel propelled rockets and countdown to lift-off at The Great ESF Rocket Launch on the last day. Join us for an out of this world experience designed for future astronauts or rocket scientists.

ESF Summer Stage: Theater & Performing Arts | Rising Grades 4-6 Two-Week Camp: August 3-7 & August 10-14 *Campers must enroll for both weeks.

Explore the world of theater and performing arts! Open auditions start day one at the ESF Casting Call. Whether singer, dancer, or actor, showcase your unique talents and be cast in the role of your dreams. Discover the many facets of being on a theatrical team while exploring all aspects of dramatic and musical theater in preparation for a Theatrical Production on the last day. Family and friends are invited to attend this premier event.

Flight School: Drone Expeditions Rising Grades 4-7 | July 20-24

Drones are changing the landscape of our everyday lives! In this camp you will explore the laws of physics! With a focus on the science, technology and engineering of flight, you will gain first-hand experience building and testing your own indoor, aerodynamic drones. All skill levels welcome. No prior experience necessary.

Junior Art Studio: Magical Museum Mystery Tour | Rising Grades 1-3 | July 13-17

Grab your passports and join us as we explore the greatest art collections from around the world! Our magical museum inspired tour takes campers on a journey of discovery, as they learn about famous historical and contemporary artists while exploring artistic movements including Surrealism, Pop Art, Abstract Expressionism and more. Junior Art Studio, in partnership with Abrikadoodle Art Education, fosters an ART-fully fun learning environment filled with color and creativity. During this exciting week, campers have the opportunity to unleash their imaginations and create art using an array of techniques and media, such as painting, sculpture, drawing, collage, watercolor, oil pastel and more. Each lesson is designed to spark imagination and creativity. Campers will create a number of 2D and 3D projects, participate in group activities and bring home masterpieces as unique as they are.

Junior Art Studio: Travel the World | Rising Grades 1-3 | August 10-14

Embark on a journey of discovery that will change the way you see the world! Drawing inspiration from vibrant world cultures, our adventures introduce campers to historical and contemporary art forms from across the ages and around the globe. Junior Art Studio, in partnership with Abrikadoodle Art Education, fosters an ART-fully fun learning environment filled with color and creativity. During this exciting week, campers have the opportunity to unleash their imaginations and create art using an array of techniques and media, such as painting, sculpture, drawing, collage, watercolor, oil pastel and more. Each lesson is designed to spark imagination and creativity. Campers will create a number of 2D and 3D projects, participate in group activities and bring home masterpieces as unique as they are.

Junior Vetri Chef Academy: The Ultimate Cooking Camp | Rising Grades 3-5 | July 27-31

Offered in collaboration with

Chop, grill and sauté your way through this one-week cooking adventure while discovering your culinary side. Led by knowledgeable Vetri Community Partnership educators, this uniquely designed program sparks an interest in healthy eating, while introducing the fundamentals of cooking, nutrition, and STEAM concepts. Campers produce and eat a variety of yummy recipes each day while getting plenty of practice mastering knife skills, kitchen safety, essential cooking techniques and more.

Lego® Engineering: Batman Gotham Gadgets | Rising Grades K-1 | June 22-26

Campers take on Gotham's villains by designing and building Batman's favorite crime-fighting machines! The excitement is at an all-time high, as they build the Bat Tumbler, craft a Batwing, and design their very own Batcave, all out of LEGO® materials. This exciting week culminates as campers use their projects to help save the city. Be the super-hero or super-heroine Gotham needs while learning how the world works through STEM concepts!

Lego® Engineering: Bash'em Bots | Rising Grades 2-4 | July 27-31

Traverse challenging obstacles, battle against fellow bots, and take on colossal creations in the competition arena during this epic Lego® adventure. Campers work together to customize their chassis to become a Minerbot, a Juggernaut, or an Iron Elephant. After applying real-world engineering and physics concepts their Bots bash and crash their way to victory.

Master Vetri Chef Academy: The Kitchen Bootcamp | Rising Grades 6-8 | July 20-24

Offered in collaboration with

Conquer the kitchen during this immersive culinary experience that combines cooking, nutrition, and STEAM concepts! While empowering and preparing aspiring chefs to be proficient in the kitchen, this interactive and hands-on program teaches essential cooking techniques and strategies to increase culinary confidence, efficiency, and creativity. Under the guidance of knowledgeable Vetri Community Partnership educators, campers explore the fundamentals of precise measurement, food safety, recipe reading and more – all mixed in with lots of delicious, healthy food and fun each day!

Mess Fest | Rising Grades 2-4 | June 22-26

Offered in exclusive partnership

This week is all about the science of “mess” and we'll be making our biggest messes ever! Get ready to mix, pour and slime your way through some awesome chemistry and biology experiments. Go ahead; you can get as messy as you want!

Ooey, Goopy, Kablooey | Rising Grades K-1 | August 10-14

Offered in exclusive partnership

For our youngest campers, The Franklin Institute has created the coolest, hands-on experiments designed just for early learners. Campers will test different mixtures to make the perfect batches of ooey and goopy creations, investigate how materials react to the world around them, and take part in some safe, explosively cool science. If you've ever wanted to be a scientist, this is the camp for you!

Science Detectives | Rising Grades K-1 | July 27-31

Offered in exclusive partnership

Use the power of your senses to uncover the secrets of the world around you. Solve a daily mini-mystery by seeing the unseen, listening to sounds all around, sniffing out clues, and detecting through touch and texture. Then put the pieces together to solve the puzzle of the week's final mystery!

Soap Box Derby: Race of Champions | Rising Grades 4-6 July 13-17

Experience the thrill of the Soap Box Derby! Throughout this exciting week, in partnership with The Soap Box Derby Organization, campers participate in a variety of fun-filled, hands-on STEM projects including constructing their very own, Mini Soap Box Derby cars. After learning the engineering design process, campers will test, analyze data and fine-tune their scale model cars, in preparation for a Mini Soap Box Derby race held on a uniquely designed mini race track. The week's activities all lead up to Friday festivities where campers prime and race full-sized Soap Box Derby cars for a chance at the winner's circle. Race Day activities kick-off with a spectacular opening ceremony and culminate with an awards presentation honoring STEM race week achievements. Filled with meaningful experiences, collaboration and fair and honest competition, this camp is not to be missed!

Space Explorers | Rising Grades 2-4 | August 3-7

Offered in exclusive partnership

Learn about planets, stars, space travel and more! This exciting “out of this world” experience launches with fun, hands-on activities including creating cardboard spectrometers, making 3D constellations and lighting up LED nebulae. As your journey continues, you will investigate a mystery planet, engineer a UV-protective space helmet, design your own spacesuit, build a planetary habitat, and more!

2020 Camp Dates & Descriptions

Super Cool Science | Rising Grades 3-6 | August 10-14

Experience unique and hands-on science experiments that are as fun, as they are educational! Campers dissect owl pellets, frogs, and sheep hearts; create and observe chemical reactions; build solar powered cars, and more. These interactive learning experiences help campers discover answers to tantalizing scientific questions in worlds of chemistry, biology and anatomy, physics and more.

Who Dunit? | Rising Grades 2-4 | July 20-24 Offered in exclusive partnership

Follow the clues and find the evidence! Join us for a week of creative problem-solving as you become crime scene investigators, examining evidence like fingerprints, footprints, trace evidence, and liquid spatter. Work as a team to uncover the clues, and then use your powers of deduction to solve a mystery—having tons of fun along the way!

Zooper Heroes: Super Animal Adventures | Rising Grades 1-2 | July 6-10

Offered in collaboration with PHILADELPHIA ZOO

Join the Philadelphia Zoo on this exciting animal adventure. Campers learn about the superpowers that different animals naturally possess through a variety of fun games and activities. They meet animal ambassadors throughout the week at camp and learn how they can use their zoo-per strength to help protect animals in the wild. Camp culminates with a SuperHero Party – get your costume ready!

2020 CGI TECHNOLOGY PROGRAMS SCHEDULE

3D Design in TinkerCad | Rising Grades 5-7 | August 10-14

Learn the fundamentals of geometric modeling with Tinkercad, an easy to use software for designing in 3D. During this fun-filled week of imagination and creativity, discover the process of combining simple geometric shapes to create complex models, starting with your very own, customized name tag that will be 3D printed as a keepsake souvenir of your camp experience. Campers will also learn about scale and proportions, as well as techniques for designing models for optimal 3D printing. Highlights include prototyping new designs and modifying 3D models of your favorite superheroes, anime characters and more. *Hardware: Laptops, 3D printers / Software: TinkerCad*

EV3 Olympics: Robotic Team Sports with EV3 | Rising Grades 5-7 | July 13-17 and/or July 27-31 Encore Week: August 24-28

Take home the gold medal in this Olympics themed robotics camp! Campers get in on the action with the LEGO® EV3 robotic system this summer, as they design and build robots that can actually play some of our favorite Olympic sports including soccer, shot put, relay races and more. Additionally, campers discover how to program simple and complex tasks with the drag and drop Mindstorms software while modifying their robots with arms and grabbers for quick maneuvering during these challenging multi-sport, international Olympic events. *Hardware: Laptops, LEGO® EV3 Kit, iPads / Software: LEGO® Mindstorms*

First Steps Makerspace | Rising Grades K-1 | August 3-7

In this exciting program, campers gain a hands-on introduction to design thinking, programming and project-based learning. Taught in an immersive environment that inspires learning, exploration, creativity and fun, campers design and build their own projects through a variety of collaborative activities. Campers also participate in innovative lessons using Lite Brite, Lego® and Scratch® 3.0, while exploring themes in storytelling, animation and dialogue. Perfect for young campers who want to develop skills in technology, design and teamwork. *Hardware: Laptops, Cryptographic Beaded Bracelets, Lite Brite, Lego® / Software: Scratch® 3.0*

Future Tech with littleBits® | Rising Grades 2-4 | August 3-7

This exciting program allows campers to invent, innovate and design with technology. While providing a great introduction to simple and complex circuits using snap together circuit blocks, campers are tasked to combine critical thinking and physical design to imagine inventions of the future. Putting their ideas and engineering skills to use, campers create an art robot, a motorized vehicle, a personal security device and more. No prior experience is necessary. *Hardware: littleBits®, Laptop*

Interactive Adventures with Makey Makey® | Rising Grades 2-4 | July 27-31

This exciting, hands-on program allows campers to explore their creativity while discovering electrical engineering concepts. Through the use of intuitive circuit boards, campers create inventions and bring them to life by combining the Makey Makey® circuit board, cardboard prototypes and Scratch® for a fully interactive experience. By taking coding off the screen and into everyday objects, campers flex their creative muscles to design and build a bionic arm, a funky musical instrument and more. *Hardware: Laptops and Makey Makey® / Software: Scratch®*

Junior RoboBuilder | Rising Grades 2-4 | July 6-10 and/or August 10-14 Encore Week: August 24-28

If you think robots are COOL, then this camp is for you. Enter the world of building, design and engineering with Lego® WeDo robots and Snap Circuits. During this exciting week, campers are introduced to STEM concepts while creating and programming their robots to take on exciting challenges and complete tasks such as the ones found in international robot competitions. No prior experience is required. *Hardware/Software: Lego® WeDo, Snap Circuits, Laptops*

Junior Robotics Journey | Rising Grades K-1 | July 6-10 and/or July 20-24

Early exploration with engineering and robotics starts here! Through this interactive journey into the world of robotics, visual coding and creativity, campers are introduced to Ozobots and Dash & Dot! A perfect blend of fun and imagination, this camp provides opportunities to learn programming, design thinking and problem-solving. The excitement is at an all-time high, as campers work in teams to code their robots' behaviors, dream up new adventures and engage in self-guided missions! *Hardware: Ozobots, Dash & Dot, Tablets (iPads)*

Micro:bit in Space | Rising Grades 5-7 | July 20-24

This uniquely designed camp combines coding and engineering, with a focus on innovative thinking and prototype development. While building fundamental skills and exploring electronic components, campers program their circuits to react with Micro:bit circuit boards and the MakeCode software platform. Working individually and collaborative, campers create simple games and ultimately, add more complex components to the Micro:bit to expand its functionality. A variety of outer space-themed challenges task campers to create projects including a blast-off countdown timer, an astronaut reaction game and a g-force accelerometer, just to name few. At the end of the week, campers take home their Micro:bit and projects for further exploration and fun. *Hardware: Laptops, Micro:bit, GatorGit / Software: Microsoft MakeCode*

Movie Maker: Filming and Video Production | Rising Grades 5-7 | July 6-10

Creativity, technology, and design converge in this exciting hands-on program! Campers bring their digital media skills to the next level, as they explore their passion for the arts using editing software like OpenShot and Pixlr and professional-grade equipment including Nikon CoolPix, Nikon DSLRs, GoPros, and more. Through an in-depth exploration of videography, visual storytelling and photography, campers grow both in front of and behind the camera as they collaborate with their team to create short-form multimedia projects. *Hardware: Laptops, Nikon CoolPix, Nikon DSLRs, GoPros, tablets / Software: OpenShot®, Pixlr®*

Roblox® Game Design | Rising Grades 5-7 | August 3-7 and Encore Week: August 17-21

One of the most popular and fastest growing gaming platforms in recent years, Roblox® has captured the attention of individuals around the world. Using a unique and structured approach, campers learn how to think about imaginative game development like real-world professionals. Utilizing the robust creation tools in Roblox®, campers work individually and collaboratively, to level up their game design skills and think creatively while inventing interactive worlds. After producing themes, storylines, objectives and goals, campers publish and share their games for others to play. Advanced students dive into more complex Lua coding to customize their games further. *Hardware: Laptops / Software: Roblox®, Roblox® Studio*

Scratch® 3.0: Build Your Own 2D | Arcade Games | Rising Grades 2-4 | July 20-24

Scratch® coding camp provides a great introduction to computer programming. Using the new and improved Scratch® 3.0, campers learn the basics of game design and character animation in a sophisticated, yet easy to learn environment. After creating 2D arcade games with multiple animated characters, campers enjoy game play with their friends. Campers also explore their imagination while making innovative art with code, using new code blocks in Scratch®. No prior experience necessary. All skill levels are welcome. *Hardware: Laptops / Software: Scratch®*

Ultimate 3D Gaming Camp: Minecraft® and Roblox® | Rising Grades 2-4 | July 13-17 and Encore Week: August 17-21

This innovative camp fuses together two of the most popular gaming platforms in the world to offer the gaming experience of a lifetime! While embarking on a virtual adventure, campers exercise their creativity in an atmosphere centered on “world building” and interaction. Using drag-and-drop visual tools to imagine, design and build their own environments, campers construct extraordinary worlds with Minecraft® and Roblox®. No prior experience is required. *Hardware: Tablet (iPads), Laptops / Software: Minecraft®, Roblox®*

**THE PREMIER CAMP EXPERIENCE
 FOR VALUABLE LIFE LESSONS!**

ESF is a HAPPY PLACE where, since 1982, every child is free to explore their curiosity and power their potential. We guarantee that a summer at ESF will have a lasting impact on a camper's happiness, growth and development.

We believe building character muscles is similar to building physical muscles. We thread opportunities throughout the camp day to strengthen these muscles, thereby making character development a key differentiator of an ESF Experience. As a result, ESF campers become stronger, healthier and more resilient. We build upon family values and continue to shape the "Character Muscles" of our campers through our 8 ESF Virtues:

- GRATITUDE
- RESPECT
- TRUSTWORTHINESS
- EFFORT
- KINDNESS
- RESILIENCY
- COMMUNITY
- POSITIVITY
