

## ESF EPISCOPAL COMMUNITY FACEBOOK GROUP

The ESF Episcopal Community Facebook Group is the best place to find updates, announcements and fun photos of camp life!

### Join our ESF Episcopal Community Group for:

- Photos of your campers loving their summer at ESF!
- Upcoming camp events and highlights
- Important camp announcements
- Theme day reminders
- Opportunities to connect with other ESF Parents

### Privacy and Security

Campers thrive in a safe and nurturing environment. So the health, safety, and well-being of all our campers and staff is always our first priority at ESF.

This closed, private community group is not visible to non-members, meaning no one can see our photos, posts, or events unless they are a member of the group. We require all members to answer three questions before they are accepted into the group to confirm their status as a 2021 camp parent or guardian. Please Note: If you are an alumni family and already a member of this group, there is no need to rejoin.

We exclusively accept members whom ESF can verify on the camper's official ESF enrollment information. This includes current Parents and Guardians, Authorized Pickup Users, and Emergency Contacts. These security measures allow us to create a community where we can safely share information about our camps and campers. This group also includes alumni camp family members from previous years.

### What if I don't use Facebook?

No problem! Keep an eye out for our end-of-the-week email with weekly photo albums and upcoming camp highlights!
