Bring a spark to your child's summer

Dear ESF Camp Families,

At ESF Summer Camps, every kid is free to explore their curiosity and power their potential. Through best-in-class curriculum, boys and girls, ages 3-15, ignite their interests and prepare for bright futures in any field—whether it's sports, science, technology, the arts or all of the above. Our experienced adult staff knows that the most important role we play in our campers' lives is to provide a safe place to build character, inspire gratitude and spark friendships.

Our exciting 2019 program line-up includes 60+ award-winning activities, uniquely designed to encourage exploration and personal growth. We provide the tools to promote creativity, develop leadership skills, build self-esteem and improve athletic ability. Cultivate your child's interests with a summer experience that speaks to them—"Love Your Summer."

We encourage you to enroll soon since space is limited. If you have any questions, please call us anytime to learn more about how we can customize your child's ESF experience.

We'll see you this summer!

MICHAEL J. ROUSE
Executive Director & Co-Founder

THE GOLD STANDARD

A TRADITION OF EXCELLENCE

EXPERIENCED ADULT STAFF

ESF is more than just a summer camp program; we're in the business of developing good people. Our year-round team is committed to fostering our campers' passions and expanding their horizons through fun, innovative and enriching experiences. Our camps are run by the finest collaboration of educators brought together for a premier summer camp experience. Our Team possesses a deep commitment to the development of our campers and a profound sensitivity to the unique needs of each and every one of them.

UNPARALLELED CURRICULUM

We are hard at work 12 months out of the year researching and preparing experiences that our campers look forward to all year long. Guided by the cutting-edge standards and best practices of today's leading companies, our subject matter experts provide a deeply innovative curriculum.

WORLD-CLASS CAMPUSES

Only the best will do for our campers. Pristine campuses are transformed into fun and safe environments, with state-of-the-art facilities for fun-filled camp experiences, rain or shine. Incredible aquatics facilities host our camper and parent approved swim lessons and recreational swim periods. Swimming is a camper favorite!

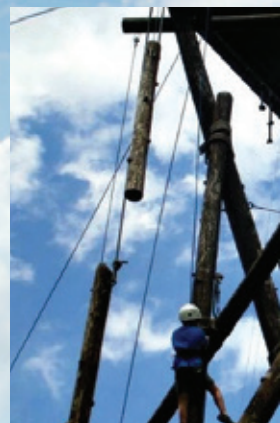

CHARACTER AND LIFE SKILLS

Our character-building curriculum is expertly designed to explore and expand our campers' innate talents, curiosities, self-esteem and social skills. An ESF summer will have a lasting impact on every camper's growth and development.

UNWAVERING COMMITMENT TO SAFETY

Safety, health and well-being are our priorities and we've put protocols and mandates into place to ensure every summer is a great summer. From carline and security to handling special allergies or other needs, you can rest assured that your child is in the best of care.

THE ULTIMATE SUMMER PLAYGROUND

WE TRANSFORM THE PRISTINE CAMPUS OF GILMAN SCHOOL each summer into a wonderfully welcoming camp setting offering exceptional, authentic camp experiences that evoke lasting, treasured memories. ESF Camps at Gilman School is home to a community of children and staff that features extensive indoor and outdoor facilities and provides the perfect setting for campers of all ages to learn and grow. Our exceptional standards include providing a safe, fun, and comfortable environment. Campus facilities are complete with a 25-meter indoor swimming pool, athletic fields, athletic complex with two full-sized gymnasiums, air-conditioned classrooms and art studios, cafeteria, theater and more for campers to explore, rain or shine!

CAMPS OVERVIEW

GROW UP WITH ESF

Great summer experiences come in all shapes and sizes, and no two campers are alike. From one year to the next their interests and curiosities change, and camp experiences should too. ESF's summer programs play at many levels, with each activity designed to appeal to its specific age group. With more than sixty activities for every age and interest, kids can grow up with ESF.

THE 8 ESF VIRTUES OF CHARACTER

a.k.a THE ESFV's

GRATITUDE

We start each morning with a smile and by "Going Big" (Being In Gratitude).

RESPECT

We have no rules, only three Agreements: Respect Yourself, Respect Others and Respect the Environment.

TRUSTWORTHINESS

We develop leaders and entrust them with unique responsibilities at camp.

EFFORT

We celebrate the amazing talents, accomplishments and efforts of our campers.

KINDNESS

We encourage campers to perform random acts of kindness and compassion.

POSITIVITY

We practice positive language and actively encourage a mindset of "positive focus."

RESILIENCY

We provide campers with the tools to become stronger with each endeavor.

COMMUNITY

We celebrate teamwork and build community at camp with an emphasis on empathy.

ESF is the premier camp experience for valuable life lessons!

MINI CAMP

BOYS & GIRLS, RISING PRE-SCHOOL

EVERY SUMMER HAS A STORY

“Posy and her new ESF best friend Charlotte loved every part of Mini Camp. They loved splashing around in the tiny Mini Camp pool, and when the camp shows came around, they walked off the stage looking as if they had just won an Emmy. During Project Discovery they went on nature walks with magnifying glasses in their hands to look at the flowers, bugs and leaves they found. By the way they talked about them, it was as if they had gone on a safari!”

INSTILLING GREATNESS STARTS HERE!

Admittedly, this is our most adorable camp. There are few things more rewarding for us than watching the littlest ones starting off on their first-ever camp experience.

Days are packed with enriching activities including musical adventures, science and nature, crafts, water play, sports, theme days and more. This is the camp they would design for themselves.

DAY CAMP

BOYS & GIRLS, RISING PREK-3rd GRADES

EVERY SUMMER HAS A STORY

“Now after watching Gracy go through the past few summers at camp, I’ve seen such a profound change in her. ESF has helped her develop personally, in ways that absolutely amazed me. The way I see it, she’s spending her summer learning, growing, and becoming a better person. The way she sees it, she’s making friends and having a lot of fun. Everyone is happy, and I love that.”

POWERED BY
 UNDER ARMOUR

EVERY SUMMER HAS A STORY

“Max was a part of a team in Sports Camp. He thrived and worked with his coaches and teammates to master the fundamental and technical skills in each sport he played. He was able to try several different sports this summer. That variety gave everyone a chance to shine. When Max was playing a sport he really loved, he was able to help his teammates who might not have as much experience in it, and when he was learning a sport for the first time, his teammates stepped up to help him. That type of teamwork is something he hasn’t found anywhere else.”

SENIOR CAMP

BOYS & GIRLS, RISING 4th-10th GRADES

EVERY SUMMER HAS A STORY

“Sophia has developed her leadership skills through various traditions and opportunities that camp has provided. She has always been someone who loves to give back, and she has thrived being able to participate in the Apprentice Program where she mentors Day Campers and plans community service projects. This summer, the campers collected supplies for a local animal shelter, and it was such a meaningful way for her to showcase her values and leadership skills while having a positive impact on the community. The programs at ESF have provided my child with unique opportunities to grow and develop valuable life skills.”

2019 TRUE LIFE ADVENTURES

Broaden horizons and build life skills with a different adventure each week.

NEW! KIDS INC.:

THE PERFECT PITCH

WEEK OF JUNE 17-21

Powered by The Jack Welch Management Institute

You've got your BIG idea, now it is time to communicate it to the world. In this exciting TLA, make the world say "WOW!" as you create a value proposition for a new product or service that sets you apart from others in the market

place. Study some of the most popular advertising campaigns of all time and what made them successful. With your team, create a marketing plan, persuasive sales pitch and multimedia advertising campaign including print, web, social media, and/or TV to promote your product or service.

CAMP CARNIVAL, CIRCUS SKILLS AND MAGIC

WEEK OF JUNE 24-28

In one of our most-anticipated traditions in Senior Camp, you will have the opportunity to design and build a Carnival from the ground up. Learn face painting techniques and how to create balloon animals. Become proficient in juggling, clowning and sleight of hand magic tricks. Finalize your Carnival booths and practice your performance skills in preparation for the exciting Main Event hosted for Day Campers on the last day!

NEW! EMOJI ART: DIGITAL GRAPHICS

WEEK OF JULY 1-5

Everyone loves emoji's - those cute and colorful symbols that communicate more than emotions! In this creative TLA, you will use digital graphics to layer emoji's of different sizes, colors and shapes to create self-portraits, landscapes, and creative works of art. At the end of the week, print out and mat your favorite creation made from these iconic symbols to display at ESF's first-ever Emoji Art Exhibition.

FUN-TASTIC FRISBEE®

WEEK OF JULY 8-12

Calling all Frisbee® enthusiasts for a week of competition and fun! It's time to spice up your favorite Frisbee® games by discovering the sports of Ultimate Frisbee® and Frisbee® Golf! Learn these lifetime recreational and competitive sports, practice your "freestyle" moves and prepare for the Fantastic Flying Frisbee® Tournament on the last day! Friends, fun and flying discs...what better way to spend a week at Camp!

**OUTDOOR ADVENTURE:
ALPINE TOWER**

WEEK OF JULY 15-19

Conquer the alpine tower with challenges designed for each skill level, under the watchful eye of an experienced instructor. This journey will lead you down the road of self-discovery, as you participate in teambuilding initiatives, collaborative problem-solving activities and exercises designed to develop and enhance the leader in you!

**NEW! BEYOND WORDS:
SIGN LANGUAGE**

WEEK OF JULY 22-26

Sign language is more than hand gestures - it's a beautiful, visually perceived language in which facial expressions and body movements are used to communicate words, emotions, and sound. This TLA gives you the tools to interact and communicate with the world around you in a completely different way. Work with your instructors to customize your ASL experience and showcase your newly acquired language by signing a song, poem, skit and more at the end of the week.

**SONGWRITING & MUSIC
PRODUCTION**

WEEK OF JULY 29-AUGUST 2

Explore music fundamentals and enjoy daily "jam sessions" with a professional producer. Compose and record your own hit songs with high-tech, multi-media technology using the Garage Band and MadPad apps on an iPad. For the grand finale, perform at the annual "ESF Music Awards". Friends and family are invited to attend.

**NEW! THINK TANK: MINDS
IN MOTION**

WEEK OF AUGUST 5-9

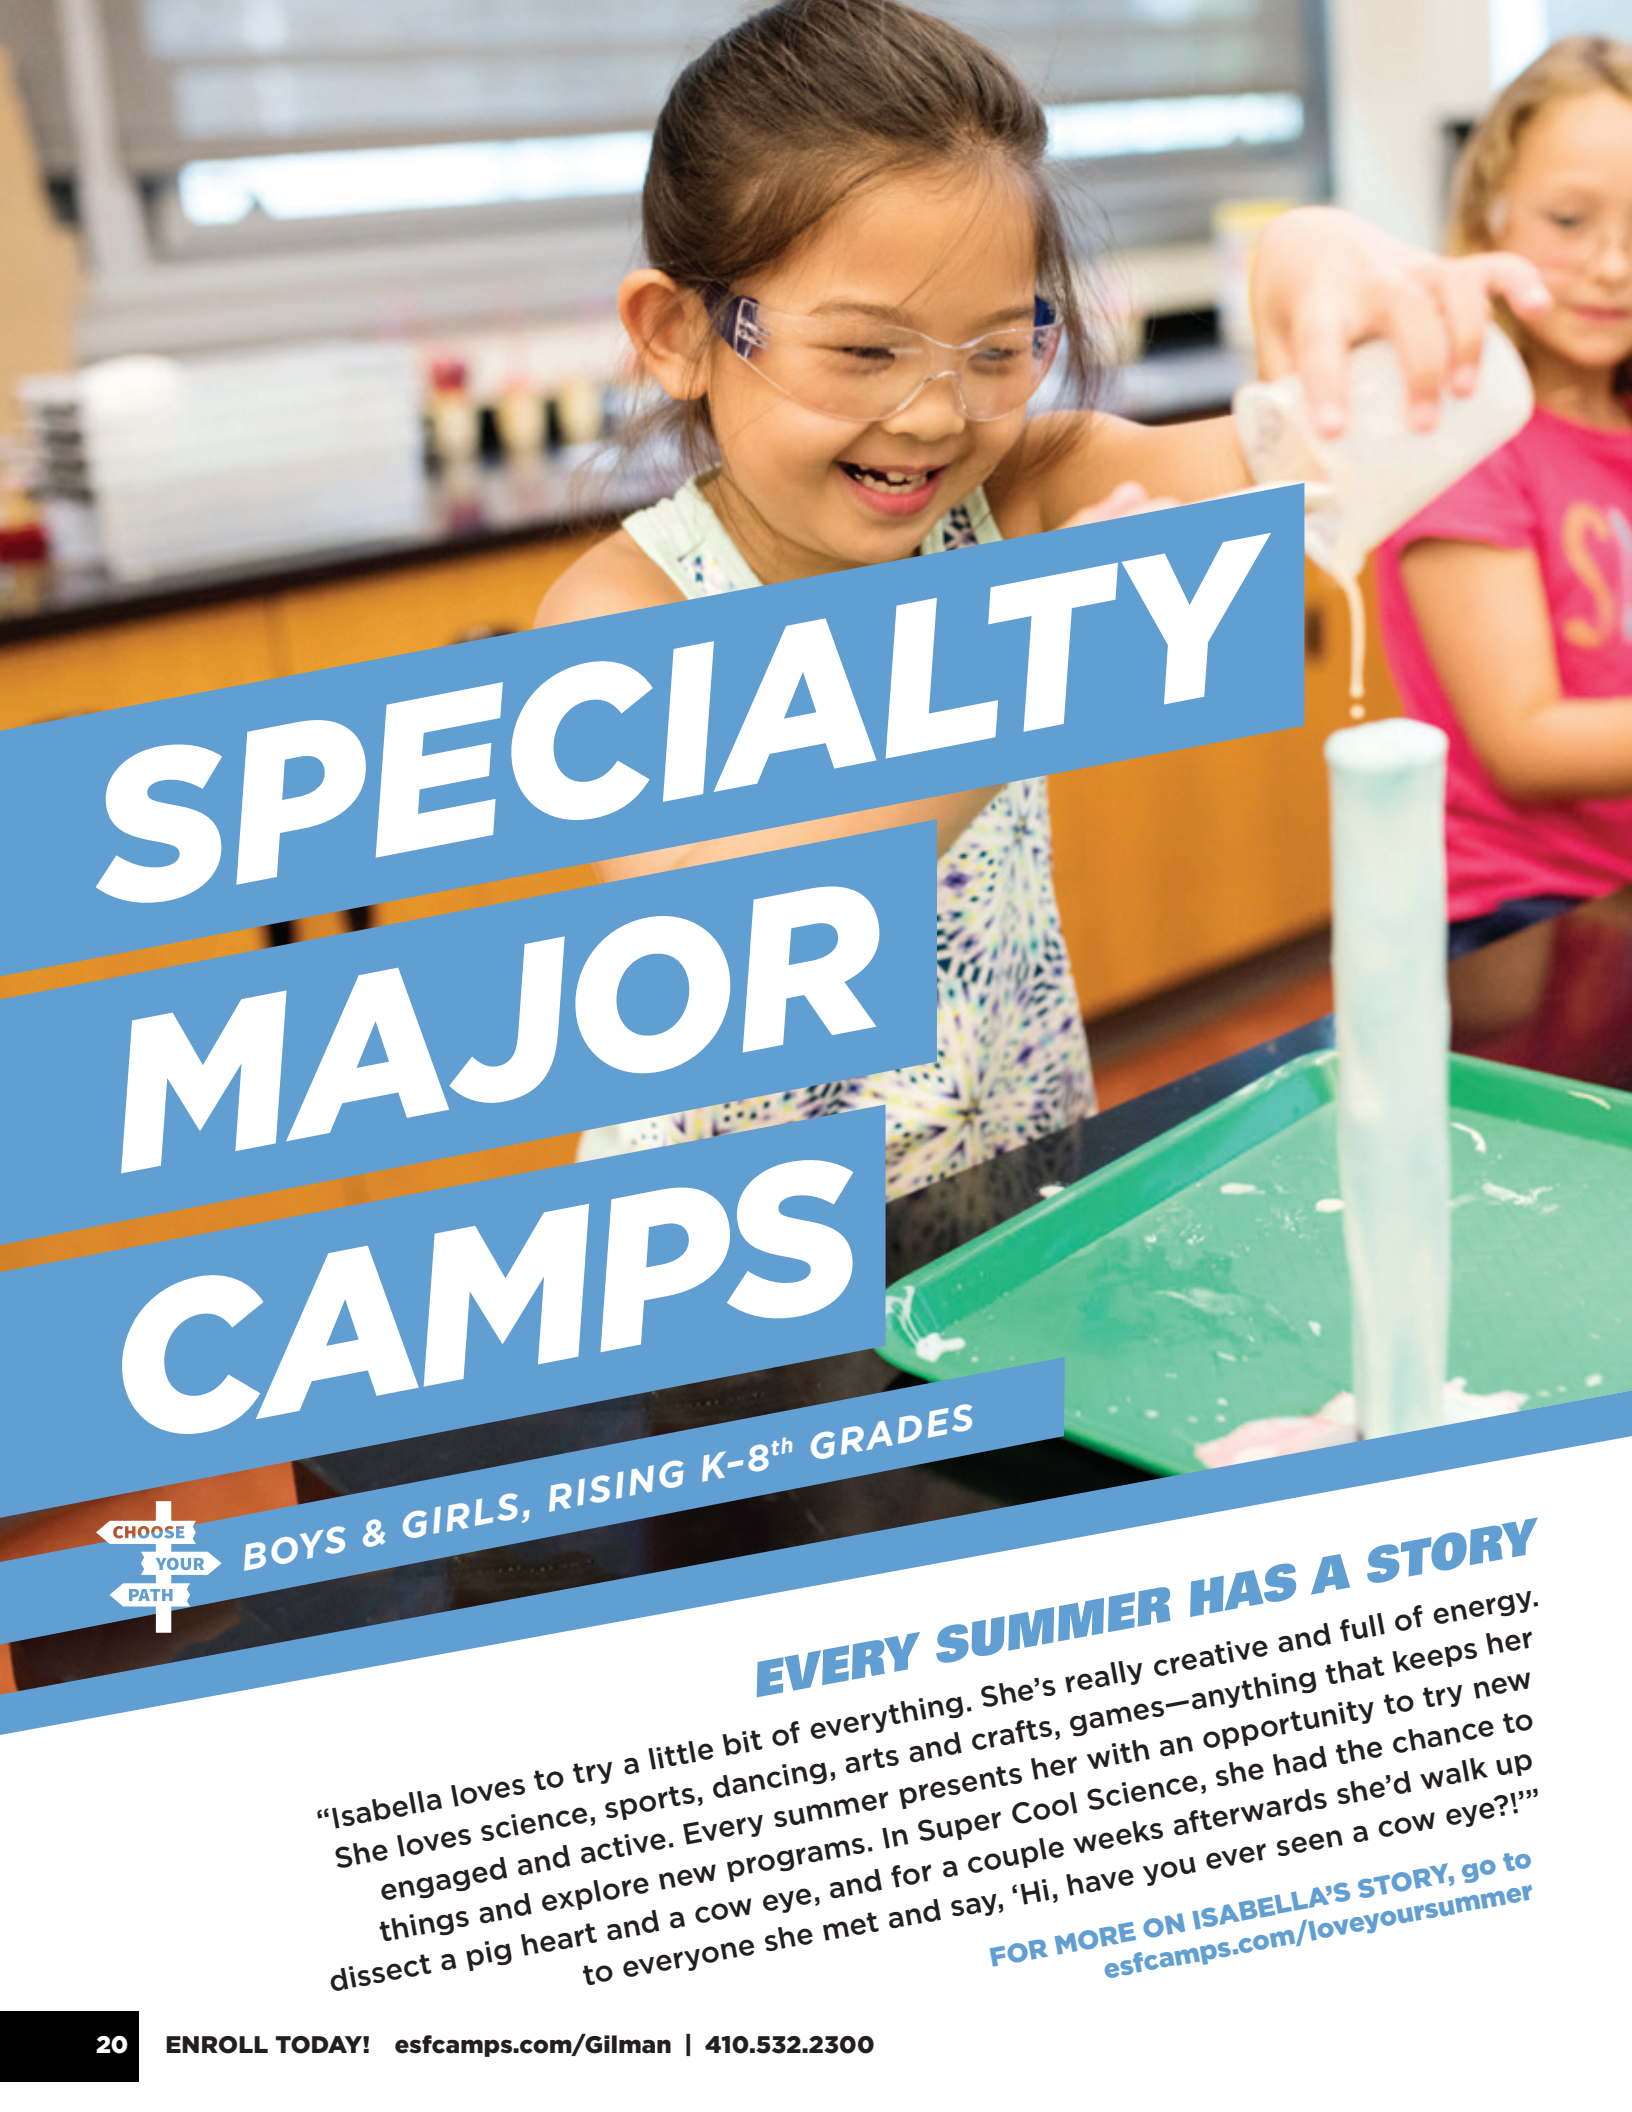

This exciting new TLA will keep your mind moving, spark your imagination and take teambuilding to a whole new level! Join us for a week of intrigue as you and your team use critical thinking, ingenuity, collaboration and teamwork to solve a series of puzzles, riddles and physical initiatives. Utilizing various strategies, Rube Goldberg machines and other miscellaneous materials, your objective will be to solve the carefully designed mysteries, problems or challenging puzzles of the day while keeping your mind sharp and your thinking cap on!

**NEW! GOURMET CAMPER:
A TASTE OF ITALY**

WEEK OF AUGUST 12-16

Mangia Italiano! Put on your apron, roll up your sleeves, and follow us into the kitchen for a week of mouthwatering fun. Guided by an executive chef, create and enjoy palate-pleasing dishes from various regions of Italy including homemade pasta and sauce, gelato, Pizzelles, cannolis and more. Learn about food preparation and kitchen safety, explore helpful hints for measuring, chopping, mixing, garnishing, and much more.

CAMPS

BOYS & GIRLS, RISING K-8th GRADES

EVERY SUMMER HAS A STORY

"Isabella loves to try a little bit of everything. She's really creative and full of energy. She loves science, sports, dancing, arts and crafts, games—anything that keeps her engaged and active. Every summer presents her with an opportunity to try new things and explore new programs. In Super Cool Science, she had the chance to dissect a pig heart and a cow eye, and for a couple weeks afterwards she'd walk up to everyone she met and say, 'Hi, have you ever seen a cow eye?'"

In exclusive partnership with

For our youngest campers, The Franklin Institute has created the coolest, hands-on experiments designed just for early learners. Campers will test different mixtures to make the perfect batches of ooey and gooey creations, investigate how materials react to the world around them, and take part in some safe, explosively cool science. If you’ve ever wanted to be the scientist, this is the camp for you!

SCIENCE DETECTIVES

Rising Grades K-1

In exclusive partnership with

Use the power of your senses to uncover the secrets of the world around you. Solve a daily mini-mystery by seeing the unseen, listening to sounds all around, sniffing out clues, and detecting through touch and texture. Then put the pieces together to solve the puzzle of the week’s final mystery.

SPACE EXPLORERS

Rising Grades 2-4

In exclusive partnership with

Learn about planets, stars, space travel and more! This exciting “out of this world” experience launches with fun, hands-on activities including creating cardboard spectrometers, making 3D constellations and lighting up LED nebulae. As your journey continues, you will investigate a mystery planet, engineer a UV-protective space helmet, design your own spacesuit, build a planetary habitat, and more!

SUPER COOL SCIENCE

Rising Grades 3-6

Experience unique and hands-on science experiments that are as fun, as they are educational! Campers dissect owl pellets, frogs, and sheep hearts; create and observe chemical reactions; build solar powered cars, and more. These interactive learning experiences help campers discover answers to tantalizing scientific questions in worlds of chemistry, biology and anatomy, physics and more.

THE JUNIOR INVENTORS CLUB: A CAMP FOR THINKERS AND TINKERS

Rising Grades 1-3

Learn about famous inventors, life changing inventions, Rube Goldberg devices and more. Experience the design process, brainstorm with other campers and transform your ideas into inventions that will improve the world we live in today. Apply your ingenuity, creativity and innovative thinking to design and build the world’s next great invention.

WHO DUNNIT?

Rising Grades 2-4

In exclusive partnership with

Follow the clues and find the evidence! Join us for a week of creative problem-solving as you become crime scene investigators, examining evidence like fingerprints, footprints, trace evidence, and liquid spatter. Work as a team to uncover the clues, and then use your powers of deduction to solve a mystery—having tons of fun along the way!

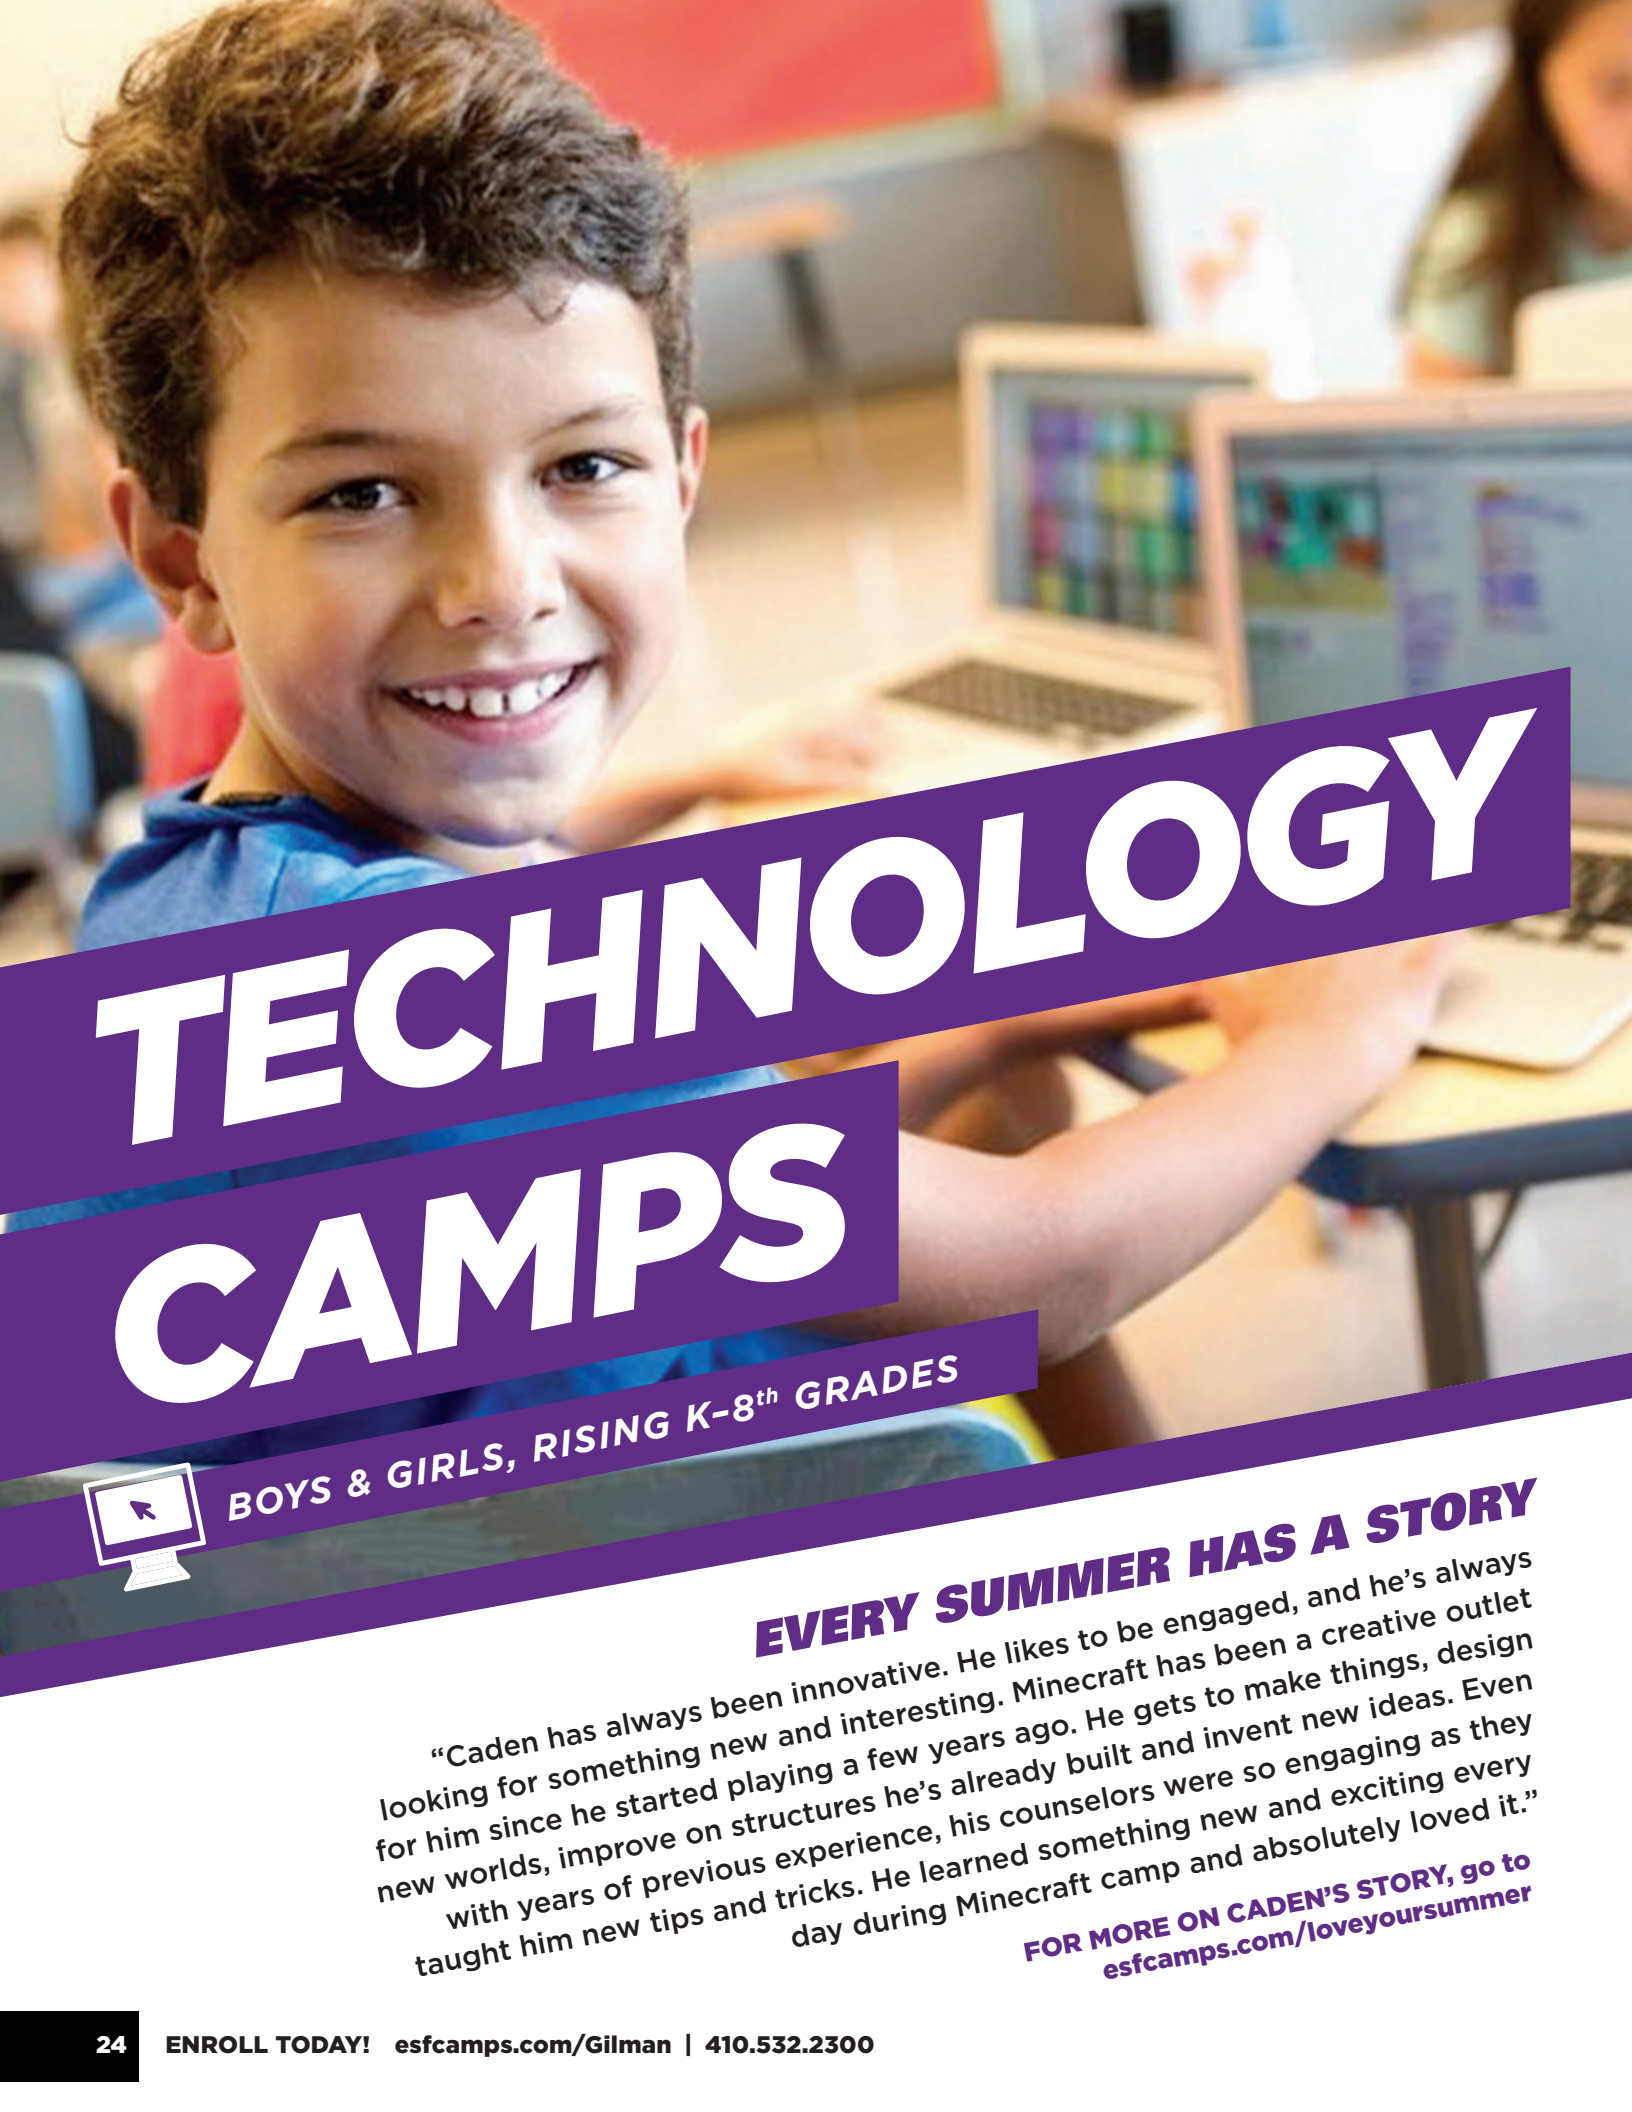

ARTS CAMP

JUNIOR ART STUDIO

Rising Grades 1-3

Imaginations soar as campers explore a wide variety of art techniques and mediums! Mornings focus on illustration and painting with an emphasis on learning about master and modern artists. Afternoons include three-dimensional art, collage, keepsake crafts and more. With the natural world as our backdrop and our imaginations as our guide, the creative possibilities are endless!

TECHNOLOGY CAMPS

BOYS & GIRLS, RISING K-8th GRADES

EVERY SUMMER HAS A STORY

“Caden has always been innovative. He likes to be engaged, and he’s always looking for something new and interesting. Minecraft has been a creative outlet for him since he started playing a few years ago. He gets to make things, design new worlds, improve on structures he’s already built and invent new ideas. Even with years of previous experience, his counselors were so engaging as they taught him new tips and tricks. He learned something new and exciting every day during Minecraft camp and absolutely loved it.”

TECHNOLOGY + DESIGN + CODE CAMPS

Choose from a variety of technology programs for a hands-on experience that allows for imagination, exploration and fun! Our line-up of programs includes Minecraft®, Roblox®, Robotics, Game Development, Virtual Reality, Coding, Digital Mixed Media and more!

RISING GRADES K-2

FIRST STEPS MAKERSPACE

Experiment, Tinker, Build, Invent! In this exciting program, campers gain a hands-on introduction to design thinking, programming and project-based learning. An immersive environment inspires learning, exploration, creativity and fun. Campers design and build their own projects through a variety of collaborative games, innovative activities and cutting-edge technology programs. Perfect for young campers who want to develop skills in technology, design and teamwork.

Hardware: Cryptographic Beaded Bracelets, Laptops | Software: BSD Online

FIRST STEPS ROBOTICS

Your child's path to discovering robotics starts here! In this interactive program, campers explore the world of robotics, visual coding and creativity using Ozobots and Dash & Dot! Campers learn programming, design thinking and problem-solving while working in teams to code their robots' behaviors, dream up new adventures and engage in self-guided missions! No prior experience is required.

Hardware: Ozobots, Dash & Dot, Tablets (iPads).

RISING GRADES 2-4

JUNIOR CODE SQUAD

What is code and what can we build with it? Campers spend the week learning about the fundamentals of coding by developing logic games and puzzles with BSD Online. With absolutely no prior experience required, campers jump right in to writing real code (HTML, CSS, JavaScript®) using industry standard software and best practices. Over the course of the week, they are introduced to new programming concepts and fundamentals while creating unique projects with real-world applications.

Hardware: Laptops and iPads
Software: BSD Online

JUNIOR MINECRAFT® AND ROBLOX®

This program fuses together two of the most popular gaming platforms in the world to offer campers the gaming experience of a lifetime! Campers embark on a virtual adventure as they exercise their creativity in an atmosphere centered on "world building" and interaction. Campers learn about environment and game construction using Minecraft and Roblox® while using drag-and-drop visual tools to imagine, design, build, and play in their custom game creations. No prior experience is required.

Hardware: Tablet (iPads), Laptop
Software: Minecraft®, Roblox®

JUNIOR ROBOTICS LAB

Turn camp into a tech lab while exploring the exciting world of robotics! Campers learn about robotics, engineering and programming as they work in teams to program their own Lego® WeDo Robots and Snap Circuit projects to complete a variety of design challenges. This camp is intended for children with a keen interest in robotics and technology. No prior experience is required.

Hardware: Lego® WeDo, Snap Circuits
Software: Lego® WeDo

Custom curriculum designed by:

BE innovative

PROGRAMMING WITH SCRATCH®

Scratch® coding camp provides campers with a great introduction to computer programming. Using Scratch®, an educational application created by the MIT Media Lab, campers learn the basics of software development in a sophisticated yet easy-to-learn environment. Campers also discover basic software development techniques while using drag-and-drop tools to design and program projects. No prior experience necessary. All skill levels are welcome.

*Hardware: Laptops
Software: Scratch®*

RISING GRADES 4-6

ADVENTURES IN ROBLOX®

Campers become game developers using the popular Roblox® gaming platform. With this unique software engine, campers learn the fundamentals of game development using a variety of sophisticated but intuitive 3D game development tools. The excitement is at an all-time high as they create competitive multiplayer games, interactive stories, car racing scenarios and much more.

*Hardware: Laptops
Software: Roblox®, Roblox® Studio*

ENGINEERING AND ROBOTICS

In this tech adventure, campers work on robotics projects while refining their engineering and programming skills. After entering the fantastic world of Lego® Mindstorms and collaborating with their team, they plan, construct, program and test fully functioning, sophisticated robots that complete simple to complex tasks. Take the Challenge!

*Hardware: Lego® Mindstorms
Software: Lego® Mindstorms*

FLIGHT SCHOOL: DRONE EXPEDITIONS

Drones are changing the landscape of our everyday lives! In this camp you will explore the laws of physics! With a focus on the science, technology and engineering of flight, you will gain first-hand experience building and testing your own aerodynamic drones. All skill levels welcome. No prior experience necessary.

INTRO TO MIXED MEDIA: PHOTOGRAPHY AND FILMMAKING

Have you ever dreamed about becoming a famous YouTuber? Do you have aspirations to be a world-renowned photographer or filmmaker? In this hands-on program, campers learn the fundamental skills of videography, visual storytelling, photography and photo editing. Imagination and creativity come to life as campers photograph elements of camp life and collaborate with their team to create short-form multimedia projects. No experience necessary.

*Hardware: Nikon Coolpix cameras, Laptops
Software: OpenShot®, Pixlr®*

MINECRAFT® ADVENTURES

In this exciting camp, Minecraft® enthusiasts have the opportunity to customize their game further than ever before! Using MakeCode®, a platform that combines the power of “making and coding”, campers learn real programming skills integrated into the highly popular sandbox game. MakeCode® allows players to exercise complete control over Minecraft®’s many systems while providing them with experience in writing real code, using drag-and-drop tools to add and change features.

*Hardware: Laptops
Software: Minecraft®: Education Edition,
MakeCode® for Minecraft®: Education Edition*

RISING GRADES 6-8

ADVANCED MIXED MEDIA: PHOTOGRAPHY AND FILMMAKING

Creativity, technology, and design converge in this exciting hands-on program! Campers bring their digital media skills to the next level, as they explore their passion for the arts using advanced, professional-grade equipment. Through an in-depth exploration of videography, visual storytelling and photography, campers capture elements of camp life and collaborate with their team to create short-form multimedia projects.

*Hardware: DSLR cameras, GoPros, Laptops
Software: OpenShot®, Pixlr®*

eSPORTS FOR THE GAMER

Campers have the opportunity to go “beyond the game” in ESF’s first eSports camp! eSports or “electronic sports” is one of the fastest growing industries in the world and there is much more to it than simply playing a game. On this exciting journey, gamers and their

teams enhance their critical thinking and communication skills through collaboration and the development of strategic tactics. Using the exciting game platform – NBA 2K19®, a basketball simulation video game, teams optimize their overall skill level, develop training routines, execute strategic plans and develop professional level playbooks! As a culminating event, campers will compete against gamers from other ESF camp locations through this online gaming environment. Will your team be the last one standing?

*Hardware: Laptops, Playstation®4, PS4® controllers
Software: NBA 2K19®*

Note: Campers work on private NBA 2K19 servers that are a safe environment to participate in online gaming.

FLIGHT SCHOOL: DRONE EXPEDITIONS

Drones are changing the landscape of our everyday lives! In this camp you will explore the laws of physics! With a focus on the science, technology and engineering of flight, you will gain first-hand experience building and testing your own aerodynamic drones. All skill levels welcome. No prior experience necessary.

INDIE GAME DEVELOPER IN ROBLOX®

Learn what it takes to produce a real video game in this introduction to programming and game design. Using the massively popular Roblox® gaming platform, campers use drag-and-drop tools, the LUA programming language and a healthy dose of creativity to develop real, functioning games. At the end of this course, campers will release their games on the Roblox® website, allowing their friends to download and play their creations.

*Hardware: Laptops
Software: Roblox®, Roblox® Studio*

VIRTUAL REALITY: DESIGNING 3D WORLDS AND EXPERIENCES

In this camp, the adventurous and courageous will discover VR and utilize its unique features to create custom 3D environments and dive into amazing, immersive experiences. Using the HTC Vive virtual reality headset and a variety of cutting-edge tools, campers will explore strange new worlds and design their own virtual spaces to move through.

*Hardware: HTC Vive, iPhones, cardboard VR headsets, Laptops
Software: CoSpaces, Job Simulator, Tilt Brush*

AQUATICS

BOYS & GIRLS, RISING PREK-10th GRADES

MAKE A SPLASH AT THE POOL!

Swimming is one of the most exciting parts of the camp day. Under the guidance and watchful eye of our American Red Cross certified lifeguards and instructors, campers develop life skills too valuable to measure while learning how to swim confidently in a safe and fun environment. We maintain a low staff to camper ratio.

We develop swimmers utilizing the latest teaching techniques and coaching methods.

Beginning with water safety skills and basic fundamentals, we then move on to progressive stroke development and refinement of techniques. Our well-established program is designed to be compatible with the unique and ever-changing abilities and skill levels of each camper.

INSTRUCTION BY CAMP

DAY CAMP

Rising PreK-3rd Grades

HOW TO ENROLL

APPLICATION PROCESS

Go online to esfcamps.com/Gilman and click ENROLL NOW. Our "Save Your Cart" feature allows you to start your enrollment selections, save them, share them with family and friends, and then finish enrollment at a later time. Once your enrollment is complete, you will receive a confirmation email and an order receipt. If you are an alumni family, we encourage you to use the same email address you used to enroll last camp season. The portal will give you access to 1) your camper's enrollment, 2) add lunches or after-camp clinics, 3) pay balances and/or 4) complete any online supplemental camp forms required before the start of camp.

PAYMENTS

A 15% deposit will be due at the time of enrollment. The balance of tuition is due by June 1 or June 15, 2019 (depending on the monthly payment option selected at time of registration). Registrations after June 15, 2019, will be required to be paid in full at time of enrollment.

GROUPING REQUESTS

If you would like your child grouped with a specific friend, please list their first and last name on the online application. Grouped campers MUST be entering the same grade next fall.

HEALTH HISTORY RECORD

For the health and safety of all campers, no child will be allowed to attend camp without a completed ESF Health History Record on file.

LIMITED ENROLLMENT

To maintain a low camper to staff ratio and to ensure a quality experience for your child, applications are accepted on a first-come, first-served basis.

GENERAL INFORMATION

CAMP T-SHIRT

All campers will receive an official camp t-shirt. Please indicate your child's shirt size during online enrollment.

OPTIONAL LUNCH PROGRAM

Campers may bring their lunch and drink to camp which we refrigerate, or they can participate in our lunch program for an additional cost of \$40/week. To sign up, please check the appropriate box during online enrollment.

Please note: The lunch program is only available during the weeks of June 17 - August 9, 2019.

*Reduced lunch rate offered 4th of July week.

REFRESHMENTS & SNACKS

Campers are provided with a snack and beverage each day. Water coolers and fountains are easily accessible to campers throughout the day.

CAMP TOURS

If you and your child would like to meet with us or have a tour of our camp facilities, please call us anytime at **410.532.2300**.

CANCELLATIONS & CREDIT POLICY

If you need to cancel your child's enrollment, you must notify us in writing by April 1, 2019. Full cancellations made on or prior to this date are subject to a \$100 fee, per child, and a registration fee of \$50 per family. If cancellation is made after April 1 through May 1, 2019, we will issue you a credit for all tuition fees paid, valid through the following calendar year. Your credit is transferable to any family member and may be used for any ESF program. Please Note: no refunds or credits will be given out after May 2, 2019 regardless of your registration date, vacation, or illness. Changes in enrolled weeks are based on availability. **Effective June 1, 2019 a \$25.00 transfer fee will be applied for enrollment changes made once camp starts.**
