MINI CAMP

BOYS & GIRLS, RISING PRE-SCHOOL

EVERY SUMMER HAS A STORY

“Posy and her new ESF best friend Charlotte loved every part of Mini Camp. They loved splashing around in the tiny Mini Camp pool, and when the camp shows came around, they walked off the stage looking as if they had just won an Emmy. During Project Discovery they went on nature walks with magnifying glasses in their hands to look at the flowers, bugs and leaves they found. By the way they talked about them, it was as if they had gone on a safari!”

EVERY SUMMER HAS A STORY

“Max was a part of a team in Sports Camp. He thrived and worked with his coaches and teammates to master the fundamental and technical skills in each sport he played. He was able to try several different sports this summer. That variety gave everyone a chance to shine. When Max was playing a sport he really loved, he was able to help his teammates who might not have as much experience in it, and when he was learning a sport for the first time, his teammates stepped up to help him. That type of teamwork is something he hasn’t found anywhere else.”

"Patrick grew up cooking with his grandfather, so when ESF offered Vetri Chef Academy for the first time, we immediately enrolled him. It was one of those programs that really empowers kids to learn culinary skills and techniques, like how to properly prepare foods, safely chop ingredients, and sauté vegetables. He learned multiple new recipes every day—foods like gumbo, jambalaya, soft pretzels, pizza, and cheesecake (his favorite ESF Vetri recipe). The camp sparked something in him and cooking has become his passion."

AQUATICS

BOYS & GIRLS, RISING PREK-10th GRADES

EVERY SUMMER HAS A STORY

"On Trainer's first day of camp, I told the ESF team members that I didn't think they'd ever get him into the pool. We had taken multiple swimming classes at our local pool. I could rarely get him off the wall, and when I did, he clutched onto me for dear life. The aquatics staff at ESF worked really closely with him. They all knew his name, and every day when I came to pick him up after camp, they'd be there giving him high fives and saying how great he did in the pool that day. When Trainer came home and told me he had practiced bobs one day, I honestly couldn't believe it. Not only did he get off the wall, but he put his head underwater!"

MAKE A SPLASH AT THE POOL!

Swimming is one of the most exciting parts of the camp day. Under the guidance and watchful eye of our American Red Cross certified lifeguards and instructors, campers develop life skills too valuable to measure while learning how to swim confidently in a safe and fun environment. We maintain a low staff to camper ratio.

We develop swimmers utilizing the latest teaching techniques and coaching methods. Beginning with water safety skills and basic fundamentals, we then move on to progressive stroke development and refinement of techniques. Our well-established program is designed to be compatible with the unique and ever-changing abilities and skill levels of each camper.
