

## MEET OUR CAMP DIRECTOR

# Traci Loftus

Hi! My name is Traci Loftus and I am the Site Director for ESF at Montgomery School. The summer of 2022 will mark my 14th summer working for ESF! I began working for ESF in the summer of 2000 at The Haverford School as a Senior Camp counselor. The following two summers, I was promoted to Senior Camp Support Specialist, having various roles in Senior Camp. I am also the recipient of the prestigious ESF Ichiban award for excellence.

My husband and I decided to start a family and we moved to Chester county. When my children were camp age, I found that ESF had a Site at Montgomery School and was very happy that I could begin working for this amazing camp again! I began working as the Day Camp Support Specialist in 2012, and have been the Day Camp Director every summer since then! I also work, year-round at ESF's Winter Headquarters in the Programming Department. Outside of camp I am a wife and mom of three awesome kids — all ESF campers!

### What do you love about working for ESF?

The team of staff, parents and campers. We are like a family at ESF Montgomery, and this makes it a very rewarding place to work!

### Favorite Camp Tradition

The spirit stick and oracle challenges in the morning assemblies. This is an exciting way to get started at the beginning of each camp day!

### ESF fun fact

I create programs and write curriculum during the winter months. It is rewarding and fun to see it all come to life in the summer!

### Interesting job outside of ESF

My first job was at McDonald's working at the drive through window. I was 14!

### Favorite quote

"Enjoy the little things in life because one day you will look back and realize they were big things." - Kurt Vonnegut

### Guilty Pleasure

Coffee and Chocolate!! I need some everyday!

### Super Power

The ability to be many different places at one time!
