MINI CAMP

BOYS & GIRLS, RISING PRE-SCHOOL

EVERY SUMMER HAS A STORY

“Posy and her new ESF best friend Charlotte loved every part of Mini Camp. They loved splashing around in the tiny Mini Camp pool, and when the camp shows came around, they walked off the stage looking as if they had just won an Emmy. During Project Discovery they went on nature walks with magnifying glasses in their hands to look at the flowers, bugs and leaves they found. By the way they talked about them, it was as if they had gone on a safari!”

When Max was playing a sport he really loved, he was able to help his teammates who might not have as much experience in it, and when he was learning a sport for the first time, his teammates stepped up to help him. That type of teamwork is something he hasn’t found anywhere else.”

Swimming is one of the most exciting parts of the camp day. Under the guidance and watchful eye of our American Red Cross certified lifeguards and instructors, campers develop life skills too valuable to measure while learning how to swim confidently in a safe and fun environment. We maintain a low staff to camper ratio.

We develop swimmers utilizing the latest teaching techniques and coaching methods.

Beginning with water safety skills and basic fundamentals, we then move on to progressive stroke development and refinement of techniques. Our well-established program is designed to be compatible with the unique and ever-changing abilities and skill levels of each camper.
